	People's Republic of China

Chapter 2

Introduction

Neruthes and MIAO_OAIM agreed to start a video game business on 2023-07-17.

Nekostein is a tight alliance of studios which are led by Nekostein partners (torishi-mariyaku). Currently, we have 1 studio, namely Kumafjord Studio led by Neruthes.

We have not yet filed incorporation. As Nekostein is an unincorporated organization, we are not calling ourselves "CEO" or "Director". Instead, we use "Shachou" and "Torishi-mariyaku".
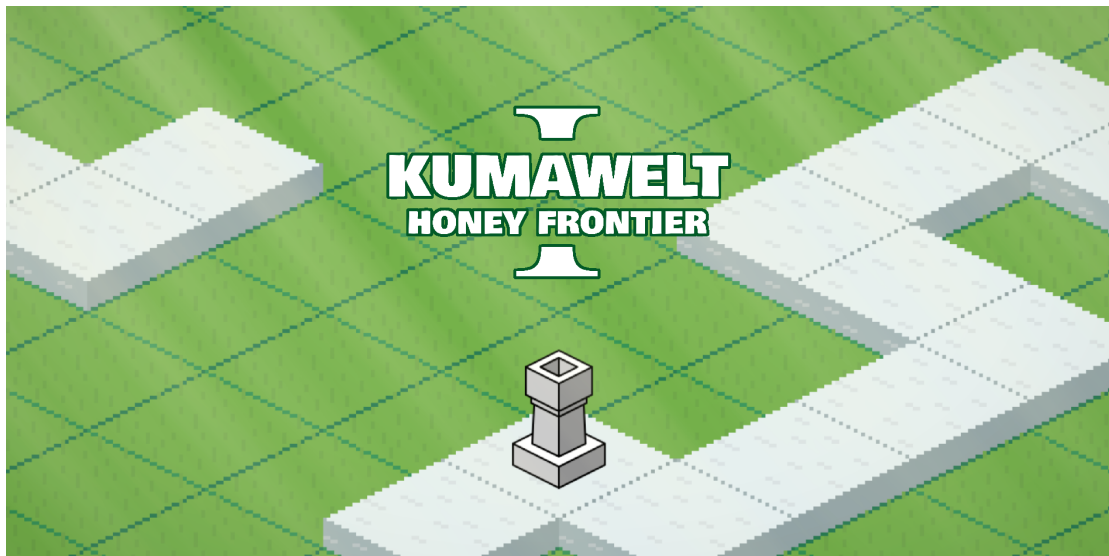

Chapter 3

Team

Neruthes	Torishimariyaku, Shachou, Game Design, Lore, Visual Art, PR
MIAO_OAIM	Torishimariyaku, Software Engineering, Game Design

Chapter 4

Products

4.1 KumaWelt 1: Honey Frontier

Introduction KumaWelt 1: Honey Frontier is a 2D tower defense game, featuring towers like chess pieces and unique commanders. Build towers in chessboard-like levels to defend the honey depots from nightmare invasion.
